

WASTE RECEPTACLES

by palmer hamilton

Palmer Hamilton's millwork introduces a wide variety of aesthetically pleasing containers for consumers. Waste receptacles that include hard rubber casters for mobility are available with 32 and 55 gallon rigid plastic liners. Each item is able to be customized to fit your decor requirement.

FEATURES

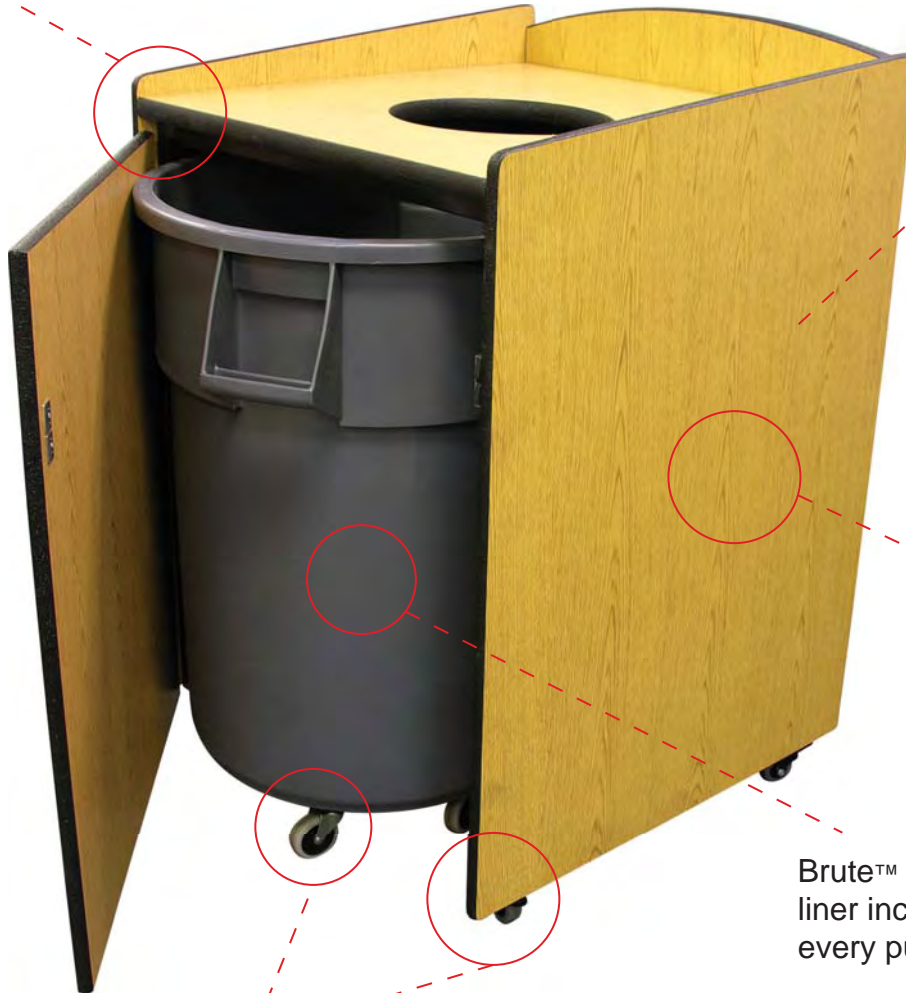

Superior Edging

EdgeGuard™ is a polyurea material bonded to laminate for a sealed edge and is standard on all waste receptacles.

Available with custom logos!

Internal metal structure provides strength and durability.

Brute™ waste can liner included with every purchase!

Casters included on cabinet and liner.

1. Materials:

1.a. Cabinet:

Side, Back, Door: The core is $\frac{3}{4}$ " particle board with average density of 45 P.C.F. laminated on both sides with WILSONART .030 high-pressure laminate. Meets or exceeds NEMA specifications.

1.b. Top:

Core is 1-1/8" medium density fiberboard (MDF). 20 mils phenolic backer is bonded to the bottom of the core. Panels are secured to frame with #10 x $\frac{3}{4}$ " screws.

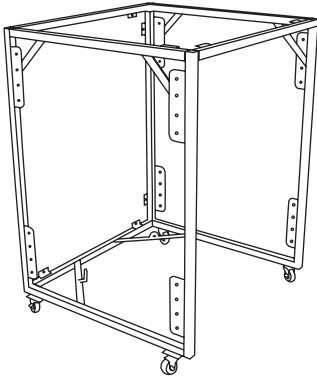

1.c. Edge Treatment

Panel edges are sealed with EdgeGuard, a polyurea composition treatment that bonds to the core, laminate and backer and provides a sealed edge.

1.d. Unitized Wire-welded Frame

Main frame is 1-1/8 14 gauge square tubing. Mounting brackets for the panels are 16 gauge steel.

All metal parts of the frame are thoroughly cleaned to resist corrosion and provide maximum paint adhesion. Metal is finished with high-grade electrostatically applied, baked-on epoxy powder to resist abrasion, marring and scratching.

1.e. Casters:

The cabinet rolls on 4 2" Poly II gray rubber swivel casters. The housings for the casters are MIG-welded to the frame for maximum strength.

1.f. Hinge:

A 2" wide, 30" long, 16 gauge, continuous, nickel-plated hinge attaches the door to the cabinet. Door is held closed by a 1-1/2" wide aluminum-cased double magnetic catch.

4. Palmer Hamilton Warranty:

Palmer Hamilton warrants that its products shall be free from defects in original material and workmanship for a period of fifteen years from the original shipment date. This warranty shall not apply in the event products are damaged as a result of misuse, abuse, vandalism, neglect, accident, improper application, and modification or repair by persons not authorized by Palmer Hamilton. Palmer Hamilton will at its discretion repair or replace any defects. Any repair or replacement must be approved in advance by the factory before any action is taken. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
